Isn't it strange  
That princes and kings,  
And clowns that caper  
In sawdust rings,  
And common people  
Like you and me  
Are builders for eternity

Each is given a bag of tools,  
A shapeless mass,  
A book of rules;  
And each must make —  
Ere life is flown —  
A stumbling block  
Or a steppingstone.

— R. L. SHARPE

I bargained with life for a penny,  
And Life would pay no more,  
However I begged at evening  
When I counted my scanty store;

For Life is just Employer,  
He gives you what you ask,  
But once you have set the wages,  
Why, you must bear the task.

I worked for menial's hire,  
Only to learn, dismayed,  
That any wage I had asked of Life,  
Life would have paid

Congratulations and best wishes for a bright and productive future. I sincerely hope that your experiences at Melrose High School have prepared you both academically and otherwise for your future endeavors.

Sincerely,  
Claude Croston  
Principal

Dear Class of 1986,

I extend my sincere congratulations to each and every one of you as you graduate from Melrose High School.

As you were about to enter high school, we had already heard from your previous teachers, counselors and administrators that you were an outstanding class.

You certainly lived up to these advance reviews, both in and out of the classroom, with all of your accomplishments.

I know that you will use this same dedication and determination, as you prepare to enter your chosen careers, and then go on to be most productive and contributing members of our society.

Sincerely,  
Timothy F. Hurley  
Assistant Principal

#### BEST WISHES TO THE GRADUATING CLASS OF 1986

Melrose High has provided you with the opportunity for a solid education. It has put you into the position to seek out new ventures and has presented you with a chance to broaden your horizons. It has prepared you to minimize the risks to succeed. However, for any new venture there is risk involved no matter how well prepared you are. But, that should not deter you . . . GO FOR IT!! As Teacher Astronaut Christa McAuliffe so aptly stated, "SHOOT FOR THE STARS."

Best of Good Luck and Good Opportunity to the Class of 1986.

Sincerely,  
Jim Frontero  
Assistant Principal

Congratulations! We finally made it! Mere words can not express my happiness. I would like to thank our class advisors for their friendship and support. I have a special thank you for the Senior Class Congress who helped behind the scene.

I wish the best of luck to each and everyone of you. Thank you for your friendship and many years of good laughs. The future is yours.

Sincerely,  
Michael Aylward

#### Congratulations Class of "86"

We've all come a long way since our sophomore year. During this time we have made many friends, whom I hope we shall never lose.

I would like to thank all the administrators and teachers especially our Advisors Mr. DeGeorge, Mrs. Eason, Mrs. Moulaison.

As a class we have shared many unforgettable memories: Junior and Senior Proms, Winter Ball, Halloween Party and many others. With graduation approaching we must soon leave Melrose High School to follow our goals and aspirations. Goodbye Class of 1986 and best of luck in the future.

David Arnott

## RETIREES

Mr. Driscoll is a graduate of Malden High School, Colby College and the Graduate School of Education at Boston University.

Mr. Driscoll first taught in Saco, Maine. He later worked in the public school system of Middleborough, Massachusetts where he was both a guidance counselor and school psychologist. He found he did not enjoy this position because he missed working directly with students.

He then came to Melrose, first as the football coach of the offensive backfield and later as teacher of psychology. In later years Mr. Driscoll became the teams' trainer.

In June he will end his thirty-first year of service to Melrose High. Over the years he has become loved by his students and the athletes who affectionately call him "Doc." His enthusiasm in class and his superb care of athletic injuries will never be forgotten. We wish "Doc" the best of luck in the future. You will be missed!

Mr. Morse is a graduate of Saugus High School. After graduation, he attended Tufts receiving a BA and Ed. M+thirty. He was a sailor in World War II on D.E. 48 and reports "I personally defeated Adolf Hitler."

In 1949, he began his career in Ashland, New Hampshire where he taught for two years. This was followed by a year at Newton and then he came to Melrose where he has taught for thirty seven years. He has directed the Drama Club as well as the Girls Club and taught guitar for twenty years.

Mr. Morse and his wife Frances have three daughters, Ellen, Emily and Sarah and four grandchildren.

Mr. Morse said he decided to teach English because "I noticed English was not difficult but tedious, I thought I could make it less tedious without skimping. Whether I have succeeded or not you would have to ask of students."

Contrary to popular belief Mr. Morse's favorite poet is not Robert Frost but Percy Shelley. He likes to teach Frost because that poet's ideas and philosophy appeal to young people.

Mr. Morse has always liked teaching and said "I have always felt being a teacher is a privilege. It has been a privilege to work with young people." It has also been a privilege for us to have known him. We wish you the best of luck. We will miss you!

# EIGHTY-SIX

Mr. Conn graduated from MHS in 1941, where he was an all around student active in football, basketball, and track. After high school, he attended the University of New Hampshire. During his senior year at UNH the United States entered World War II and Mr. Conn left to enlist in the military. While in the European theater he met his wife, Jennie, now deceased.

At the conclusion of the war, he returned to UNH where he received a BS in biology and a BA in English. Mr. Conn later received an MA in English from Tufts. In 1978, he received a sabbatical to study at the University of London.

Mr. Conn has contributed his talents as a teacher of English, French and Reading to Melrose High School students since 1952. In addition to his responsibilities as a teacher Mr. Conn has been heavily involved in extracurricular activities. He was the first soccer coach and also coached the football and basketball teams. Mr. Conn advised the Imprint for six years.

Mr. Conn says about his career, "When I go to work in the morning I know I'm going to give something and I'm not going to take anything away from anyone" — this is why he loves to teach. He will be greatly missed by students and faculty. We wish him the best of luck in the future!

Mrs. Alcorn continued her secretarial Studies at the Chandler School after graduating from Malden High School. Her business career was interrupted to raise her family. She is the mother of two and the proud grandmother of five. Mrs. Alcorn is retiring this year after 16 years of service to the Guidance Department and many years of service as secretary to the Summer School. How many college applications has Mrs. Alcorn successfully gotten out at the last minute? We cannot say but we do say a sincere thanks for each and every one. We wish her a long and happy retirement.

Our school is fortunate to have two local bands that feature members of our class. Both bands played together at the Saugus Elks Hall on December 28, and had a run off of their music. It was hard to tell who the victors were but the music was awesome. Last Judgement, featuring Mike Pescatore, Jimbo Curran, Chris Berry, and Troy Knowell has since disbanded but Wild Child is still going strong. W. C. features two of our school's best, Steve Harris and Rob Stephen, and a pair from Woburn, Mark Kula and Tony Defratis. We wish the best of luck to them and their fellow musicians, keep rockin' and let the music play!

# WHITE CHABLIS

## POWDER PUFF

The annual Powder Puff game was off to a great start as coaches Mike Cappaldo, Nick Zannelli, Mike Alyward and Terry Reilly worked endlessly to get the teams into shape. The Red Rose' scored early in the game with a great touchdown run by Lisa Centorino. The White Chablis quickly tied the game with a touchdown by Jodie Lam. Kim Borro of the White Chablis scored the final touchdown of the day winning the game 12-6. The game was rough but it was all in the spirit of fun and everyone had a great time. A highlight of the game was the cheerleaders who were absolutely gorgeous (Hey, guys, couldn't you have at least shaved your legs?!?), and put on a truly memorable show!

# RED ROSE

# HALLOWEEN PARTY

One of the more memorable occasions of our senior year was the Senior Halloween Party. The event commenced with the annual costume parade before the judges. Costumes ranged from Willie Nelson, genies, and Oompa Loompas, to race cars, a taxi, and the cast of "The Wizard of Oz" — a truly exceptional class. Even a traditional witch or two could be seen on the dance floor.

A strange Halloween influence incited us all into delirious and irrational behavior — some say it was Satan, while others attribute the strange phenomenon to a different sort of spirit. Outlet was found, though, in the three contests: a bubble-blowing contest, a donut-eating contest, and a truly unforgettable pie-eating contest.

Finally, it was time for the pinata-breaking contest, which was won by the first person to try it. So ended one of the most fun-filled evenings of our senior year.

# MUSICAL

A rehearsal for "Fiddler on the Roof" — a musical as steeped in tradition as the annual Melrose production itself. Under the direction of Mr. Messina, the cast is well on its way to giving an exceptional performance. Leading the cast are Keith Woods playing "Tevye," his wife "Golde" (Marlena Cerulli), his three daughters: "Chava" (Andrea Pecci), "Hodel" (Helena Oliveira), "Tzeitel" (Frances Donovan), the matchmaker, "Yente" (Eugenica Vagianos), the tailor "Motel" (Mark Ballard), the revolutionary, "Perchik" (Chris Hornbarger), "Grandma Tzeitel" (Christine Williams) and the "Constable" (Aaron Strout). Other seniors involved are Cheryl Aloï, Chris Dugan, Bunny Duval (assistant to the director), Cindy Jachrimo, Allison Lynch, Karen Mullaney and Michelle Murray (tickets and publicity). The musical is an experience one never forgets — "To Life!"

The 1985 marching season had "excellence." At the MICA competition Melrose scored an all time high of 70.4! Their perseverance, hard work, and energy paid off in their half time shows and continued into their concert season. Students grew into musicians as they prepared for the annual Winter Concert, Spring Concert and concert competition at Virginia Beach.

No list of memories would be complete without "playathons", "Fudge sale", "car washes" and "Pops Concert". The seniors will never forget: "Tennessee '81", "Toronto '84-Wayne!", "Superbowl '82", "new uniforms?", "Dress Right Dress", "The burning of the twinkee", "Burger King Crowns", and "practice in the dark".

Many thanks to Mr. and Mrs. D., the advisors, and the Band-Aiders. Student leaders, Dennis and Frances, would like to give special thanks to Christine McHugh for all her help and advice. See you at Thanksgiving!

The Students Against Driving Drunk (S.A.D.D.) at Melrose High School was established through the efforts of Dr. Ann Norword, a former psychology teacher, who lost a student to a drunk driving accident. S.A.D.D.'s membership has grown from 4 in 1983 to 150 members today.

The MHS chapter of S.A.D.D. is very active. Members have spoken to the ninth grade and have given peer counseling during the sophomore gym classes. This fall S.A.D.D. advisors, officers and members took part in "The Youth In Action" conference at Brandeis University.

S.A.D.D. will present prominent guests speakers who will address the junior and senior classes prior to the prom.

# ART

Of my work on this ICB, two things (at least) are true: 1) my growth will be forever stunted by the lack of sleep I got, and 2) I convinced my teachers that I hadn't the slightest concern for my own education. Was it worth it? Probably not, but you can be the judge.

I am deeply grateful to Caroline Rotondi, for being a great help and a great artist; to Mr. Hughes, for his exemplary advising; and to the other editors, who gave me just enough support to hang in there, and just enough agitation to make it interesting.

Thanks,  
Chris

Weren't the pictures great?! I think so, although there is no way that I can take credit for them all myself. Co-Editor Bob O'Connell worked long and hard taking pictures - (thanks O'Connell!) - as did Nick Zannelli. Without these two, and the other student photographers, this book would not have been complete.

I also would like to give special thanks to Herzy, uh, I mean Mr. Hughes. He's the greatest!

It would like to thank all of the "marvelous" people who subscribed to the yearbook, and all of the members of the subscription staff. Allison would also like to thank Tricia. The two of us would like to thank Mr. Hughes, who is the most righteous chief!

Talk about an incredible comeback! This year the Red Raider cross country team turned last seasons 1-8 record into an incredible 8-1.

Senior Chris Kiatos, running his first cross country season, filled the number one spot like a seasoned veteran. Kiatos along with underclassmen Mark Curry and Chris Kerry combined to take first, second, and third sweeps from five opponents. Senior co-captains Ken Matteucci and Tony Pallotta served as the teams depth taking key positions in many close meets.

The biggest success of the season came at Wakefield. Melrose beat the Warriors 27-28, breaking Wakefield's 20 consecutive meet winning streak, and earning a share of the Middlesex League Title with Woburn and Wakefield. Important members of the team were Matt Sherman, Brian Ross, Jane Appleyard, and Lori DiLulo who supported the team all year.

## Soccer Cheerleaders

The soccer cheerleaders had a very successful and a very enjoyable season. We know next year's team will turn out well and wish them the very best.

We will always remember the great times we had during the season — decorating the boys' houses, the boys decorating our houses, the brunch they gave for us.

A special thanks to Mrs. Henry for putting up with us. We will miss you.

## Soccer

How does one gloss-over a poor season in an article when the schedule is printed right below it? One doesn't. But the stats don't tell all — not the hard work, the excellent coaching, the lack of varsity experience, or the number of serious injuries. Yet despite the setbacks, the '85 season can't be deemed entirely unsuccessful.

Perhaps the greatest highlight of the season was the home game against Burlington. Senior striker Chris O'Brien shall be entertaining audiences for years to come with the story of his game-winning goal, scored with only eight seconds left in a 0-0 deadlock.

Captain Chris Hornbarger and Dave Sarno (a league all-star) led a predominantly senior squad. Bob "Okie" O'Connell, if not the toughest defenseman in the league, was at least the most popular (he had his own cheering section in Wakefield). Other seniors were Aaron "The Chief" Strout, Chris Pecci, Victor Garofalo, Jerry "Red Card" Connolly, Steve Casey, Gary Colasanti, and Matt "Rambo" McNulty.

The team wishes the best to their coach, Mr. Pat Guerriero, whose dedica-

tion was surpassed only by his unselfishness. He's a great coach on and off the field. Thanks also go to the cheerleaders, who were always inspiring; to Johnny and Bruno, who introduced the team to the pleasure of "going to the beach"; and to the students of Melrose High, who supported the team in good times and bad.

## Football Cheerleaders

The MHS Football Cheerleaders gave the team the spirit they needed to make it through a tough season. We had extra help from the soccer cheerleaders who cheered with us during the Thanksgiving Day Game and at the Winchester game. We had a lot of fun and became good friends.

We will never forget Christine's party and decorating houses (You did the wrong house!), cheering with Mrs. Barbados, the crazy bus driver who got us there in ten minutes, brunches at Michelle's and Nancy's, It is raining again?, Derra and Candy, and a good effort on a snowy Thanksgiving. Good luck to next year's team and a special thanks to Mrs. Leeman.

## Football

What happens to a football team that has only four starters returning the next season? What happens when this team is picked to finish in ninth place? In the face of so many difficulties, other teams would have fallen apart, but not the Red Raiders. The Raiders, a young, dedicated team, refused to meet the expectations of their critics. The Raiders finished seventh at season's end with a 3-6-1 record.

The season got off to a strong start with a hard-fought 14-13 win over a highly favored Malden squad. The highlight of the season came against Belmont. Conditions were miserable as an icy rain descended on players, cheerleaders, bands and spectators. In a game that was as hard-hitting as the weather, Melrose emerged victorious, 22-20.

The team was led by First Team All-Stars Jim Mercer and Peter D'Agostino, as well as Honorable Mention All-Stars Captain Jeff Gorton, Sean Leonard, Tim Sewall, and Glen Kelley.

This year's memories include: . . . The Galve Block . . . "Hey Kaz, look out for #57" . . . "Have another" Cheney . . . Sophomore beatings . . . The terrible

violence at Tenaka . . . The ride home from Malden. "Thanks to Headcoach MacPherson, Coaches Morris, Sullivan, and Verge and also to all the Seniors. Good luck to all involved with this year's program."

The field hockey team, under the direction of Coach Jan Johnston, had yet another successful season, capturing the Middlesex League Championship with a 15-1-2 record.

The high-powered Raiders offense, sparked by the play of seniors Regina Glennon, Debby Chew, Laura Azevedo, and Kelley Logue, overwhelmed its opponents the entire season, defeating each team in the league at least once.

The defense also played an important role in the team's success. The 11 shutout performances of goalie Pam Anastas and the unselfish play of Tricia Lynch and Christine Albertelli kept the Raiders in every game and allowed the offense to concentrate on scoring. Also adding to the success of the team were Christine Lloyd, Jennifer Polito, Caroline Rotondi, and Jessica Constantino.

One of the high points of the season came against Wakefield. Junior Missy Della Russo scored both goals in 2-0 victory, giving her 17 goals for the year to break the school record of 16, held by her coach Jan Johnston and Raider track coach Mamie Reardon. The win also clinched a tournament berth for Melrose.

However, the Raiders biggest victory of the season came in the final week of play as the girls avenged their only loss of

the season by edging Woburn 1-0.

Co-captains Regina Glennon and Debby Chew, along with junior Missy Della Russo were named to the Middlesex League All Star Team. Glennon came home with the league's MVP honors while Coach Johnston was chosen as Coach of the Year in the Middlesex League.

The Middlesex League Champion field hockey team qualified for the state tournament for the fifth straight season.

The third-seeded Raiders opened the tournament before a home crowd with a 2-0 victory over Everett. Bolstered by an inspiring rendition of the school song sung over the PA by the duo of Coach Johnston and Mrs. Taffe, the Raiders advanced to the semi-finals with a thrilling 1-0 win over Weston.

When Melrose finally got to play Danvers after a series of postponements, the Raiders exploded for 3 goals in the second half to defeat Danvers by a 4-2 margin.

The Raiders lost their bid for the Division 1 North Title against Acton-Boxboro in the finals at a chilly Alumni Stadium in Wilmington. Although the Raiders outplayed A-B in the first half, the Colonials held a 1-0 lead at the half. Melrose battled back to tie only to see A-B come right back with the eventual gamewinner.

Melrose High's traditionally excellent golf team had yet another winning season in 1985. What is exceptional is that the team did so under the direction of a new coach. Congratulations are in order for Coach Rich McDermod for leading his team to a respectable 5-4-0 record, and for preparing his young team for what should promise to be an even better 1986 season.

Seniors Mike Maniaci, Dan Farrell, and Captain Joe Maher pulled out close matches all season long. Another consistent performer and great golfer, Jeff Murray, will attempt to improve the squad as next year's captain.

The golfers would like to thank the Bellevue and Mount Hood golf courses for giving the team free use of their facilities. The team also thanks Mrs. Andrea Taffe. Without her guidance the team would not have been able to accomplish so much.

"It was a season we shall never forget."  
 Once again, the girl's varsity swim team had an excellent season with an 8-2 record. This year's team faced two of the most challenging meets in their history, Winchester and Belmont, and pulled together to achieve record breaking times.

Over the past four years, the team has shown continuing improvement and strength, much of which is due to the talented underclassmen.

Memories include: Coaches' mix-matched socks, late night psych sign deliveries (apologies to all parents awakened), long bus rides, L-E-T-S-G-O!!

The team would like to thank Mrs. Tremblay and Coach Whitworth for everything and to extend their best wishes to the future team.

What school does not have a volleyball team? If you guessed Melrose, it's no longer true. After a year of intramural scrimmage, the Raiders entered the North Shore Volleyball League becoming the First Melrose High varsity volleyball team ever.

Although they did not win a lot of games, the Raiders improved tremendously and won the compliments of both officials and opponents. The team stuck together through the good and bad with an incredible amount of school spirit.

"Good luck from the seniors to next year's team. You deserve to win but most of all remember to have *fun*!! Thanks to Coach Ceccherini."

Though the record was not as good as the records of previous years, this year's team is unequaled in their hard work and dedication. Captained by Christine Lloyd and Colette Page, the eight member team overcame numerous setbacks and improved their scores. Over archival Wakefield, Melrose won with a high score of 114.1. Senior Tri-Captain Chris Kiatos contributed by running both the mile and the two mile for the raiders. Other members of the team, Steve Lanciani, Mark Curry, Matt Sherman, Chris Kerry, Sal Sciretto, and Travis

With the return of many of the top swimmers from the 1984-85 season, the MHS men's swim team appeared to be one of the most promising ever. Led by tri-captains Chris Pecci, Frank Sampson, and Matt Paine, the team more than proved their winning ability sporting a 9-1 record in the regular dual meet season. The two most hard fought and satisfying victories came over league power-houses Lexington and Belmont. Unfortunately, one of the disappointments of the season was the controversial loss to Winchester, however, this defeat served as strong motivation for the team's forthcoming success. At the league meet in Belmont, seniors Matt Paine, Chris Pecci, Frank Sampson and Peter Bonna, along with juniors Gary Gauch and Mike Garipay achieved all-star status boasting Melrose to a third place finish.

This 1985-86 swim team will certainly be recognized as one of the fastest in MHS history and will no doubt continue to bring honors to Melrose High at the Sectional and State Championships.

## Boy's Basketball

The Boys Varsity Basketball team was led by Co-Captains Dan Farrell and Tim Hurley. Other seniors who contributed were Paul Kelliher, Chris Deehan, Bill Goodwin, Rich Wong, and Mike Alyward.

As the team entered the last week of the season, they had a 10-6 record. Highlighting the season was a 60-59 victory over the first place Lexington team, the first time since 1974 that the Red Raiders had beaten Lexington. Other exciting victories were the games against Winchester and Belmont and the overtime victories against Watertown and Reading.

Co-Captain Dan Farrell, in addition to being the team's high scorer for the second year in a row, was selected to the Middlesex League All-Star team. He and junior, Sean Shumate represented Melrose in the League All-Star game.

Coach Papas, Co-Captains D. Farrell and T. Hurley, Coach DiNarrello.

The seniors are most grateful to have had the opportunity to play for Coach Nick Papas, who is both a gentleman and an outstanding motivator of athletes, and extend their best wishes for the continued success of Melrose basketball.

## Girls Basketball

# Thanks Coaches!

For the uncounted hours spent  
at practices and competitions,  
For all the energy expended to develop  
us in mind, body and character,  
For everything contributed to the school  
We express our gratitude  
and  
appreciation!

# Thanksgiving Day Football Game

This year's Thanksgiving Day Game was an example of the dedication and hard work Melrose Football fans have come to expect from their team. On a day when most teams had cancelled their games because of harsh weather conditions, Melrose bravely trudged on to the field at Wakefield.

Snow fell steadily, damaging the playing conditions. As the wind whipped across the field chilling even the most warmly dressed fan, not to mention the cheerleaders, band members, rifles, flags and football players, Melrose fought on. Although Wakefield won the game 14-0, this game will be remembered as a symbol of the dedication and hardwork that has brought Melrose so many victories in the past and promises to lead to even more victories in the future!

What a staff! Fifteen plus of the most talented people. For half of your senior year you donated your time, spirit, energy, and sanity to the LOG. All you have sacrificed through the year has been well worth it, 'cause look what we got. I am so proud of what we've accomplished. We finally did it!

Christine — thanks for long talks, your sanity, and peppiness.

Debbie — thank you for absolutely all of the overwhelming work you kept a tag on and all the focused pictures you took.

Frances and Cindy — thank you for your creative reconstruction and humor.

Chris — thank you for your time and talent.

Aaron, Joe, and Mike — thank you for your . . . uh . . . humor . . . , really!

Cathy — thanks for your expertise in gluing, counting, and sanity.

Michelle, Gina, Allison, and Tricia — thank you for all the big and little stuff all of you have done and put up with.

Bob — thanks for taking all of those beautiful pictures.

Dana — thanks for not complaining too much, hon!

Mr. Hughes, thank you for being there when we needed you. Without you what would the LOG be? Your guidance, leadership, experience, knowledge and of course your sense of humor meant more to us than you will ever realize. You are the driving force responsible for our major accomplishments.

Love,  
Libby

Well we know where we're goin'  
But we don't know where we've been  
And we know what we're knowin'  
But we can't say what we've seen  
And we're not little children  
And we know what we want  
And the future is certain  
Give us time to work it out!

Talking Heads

We the Editors of the 1986 LOG would like to express our special thanks and appreciation to those many individuals who have helped us in our endeavor.

The Custodial Staff — for giving us ladders, cleaning up, and letting us in and out.

Mrs. Northrup, Mrs. Colbert, Mrs. Fisher, and Mrs. Lohead — for giving us names, supplies, and cooperation.

Mr. Hurley and Mr. Frontero — for their announcements.

Mrs. Hooton, Mrs. Moulaison and their classes — for all their typing assistance.

U2 and Pink Floyd — for providing us with atmosphere.

Mr. Squatrito — for his pictures.

Joe Maher — for being Honorary Layout Editor. Also Carolyn Deane and Ben Soucy for their contributions.

All of our teachers — for understanding our occasional tardiness and absence from class. Our makeup work is on the way . . . honest!

MR. JOHN HUGHES — FOR EVERYTHING!!!

This is THEEE yearbook. sir.

We will always remembr — Hoop . . . What chair? . . . Help! . . . Mi-en! . . . Stop picking on me! . . . Another turkey? . . . Grand Master Hughes . . . It's all fun and games until someone pokes an eye out! . . . Never a dull moment . . . Deadlines — we LOVE 'em! . . . I want an eggroll . . . Open the door! . . . U2 . . . Pink Floyd . . . Madonna? . . . Fungus among us? . . . Who's the most righteous brother? . . . A nightmare within a dream. . . Turn the GD radio down! . . . BUT we will never forget the LOG experience and friendships that will last forever. Remember — "You can do anything, you're an EDITOR!"

# CLASS DAY

## Graduation

The sun shone down on the students of the class of '86 as they marched out onto the soggy field. Led by Class Marshall Susan Eason, the students were greeted by an anxious crowd of friends and relatives, and by the score of the Celtics Championship game.

The commencement ceremony was begun with a prayer from the Reverend Mgr. Novello. The Mgr. was then followed by Mr. Croston who introduced the honored guest at this year's ceremony. Valedictorian Serena Rose was next with her moving address to the class. With a cheer of "Go Celtics!!!" she closed her address.

Those students who were graduating with honors were next introduced. This was followed by two songs from the MHS Chorus, "Greatest Love of All", and "All He Can Be". Finally came the address from Mr. Croston.

The Reverend Guinn gave his farewell blessing. This led to the moment that each of the 368 students had been waiting for, the reading of the names and the awarding of diplomas.

As the final student recieved his diploma, hundred of caps were tossed into the air signifying the end of the ceremony and the end of three years of high school at MHS.

June 8, 1986 is a day that the MHS Class of '86 (and the Celtics) will not soon forget.

CONGRATULATIONS TO THE CLASS OF '86!!!!!!!
